**LOUISVILLE GAS AND ELECTRIC COMPANY’S**  
**MOTION TO CORRECT ORDER**

Louisville Gas and Electric Company (“LG&E”), by counsel, hereby respectfully moves the Public Service Commission (“Commission”) to issue an Order *nunc pro tunc* correcting clerical errors in its November 14, 2013 Order (“Final Order”) in this proceeding.

On page 4, last line, of the Final Order under the section titled Allocation of Roll-In the reference is made to “Case No. 2011-00161.” This is the case number assigned by the Commission to the 2011 ECR proceeding for Kentucky Utilities Company. The case number assigned by the Commission to LG&E’s 2011 ECR proceeding is Case No. 2011-00162. The case number “2011-00162” should be substituted for the incorrect case number “Case No. 2011-00161” in the last line at page 4 of the Final Order.

In addition, footnote number 9 appearing on the last line at page 4 correctly cites Case No. 2011-00162, but inadvertently includes the phrase “Kentucky Utilities” in the reference to the style of the case: “*Application of Kentucky Utilities Company for Certificates of Public Convenience and Necessity and Approval of Its 2011 Compliance Plan for Recovery by Environmental Surcharge* (Ky. PSC Dec. 15, 2011).” (Emphasis added.) The correct style of Case No. 2011-00162 is “*Application of Louisville Gas and Electric Company for Certificates of Public Convenience and Necessity and Approval of Its 2011 Compliance Plan for Recovery by*

*Environmental Surcharge.*” (Emphasis added.) The phrase “Louisville Gas and Electric” should be substituted for the phrase “Kentucky Utilities” in the citation contained in footnote number 9 at page 4 of the Final Order.

As stated on page 5, at line 3, of the Final Order under the section titled Allocation of Roll-In, the amount of the total roll-in is incorrectly stated as “\$13,883,668.” (Emphasis added.) However, in ordering paragraph 4, at page 8, the amount is correctly stated as \$13,883,368. (Emphasis added.) The correct amount of the total roll-in \$13,883,368 should be substituted for the incorrect amount of “\$13,883,668” stated on page 5, at line 3, of the Final Order under the section titled Allocation of Roll-In.

Finally, in ordering paragraph 4, at page 8, line 5, the reference is to “Case No. 2011-00161,” should be replaced with the correct case number: 2011-00162. The reference to “Case No. 2011-00232” is correct.

**WHEREFORE**, Louisville Gas and Electric Company respectfully requests the Commission to issue an order *nunc pro tunc* correcting these clerical errors at the Commission’s earliest convenience.

Dated: November 26, 2013
